PAGE TITLE

PAGE INFORMATION
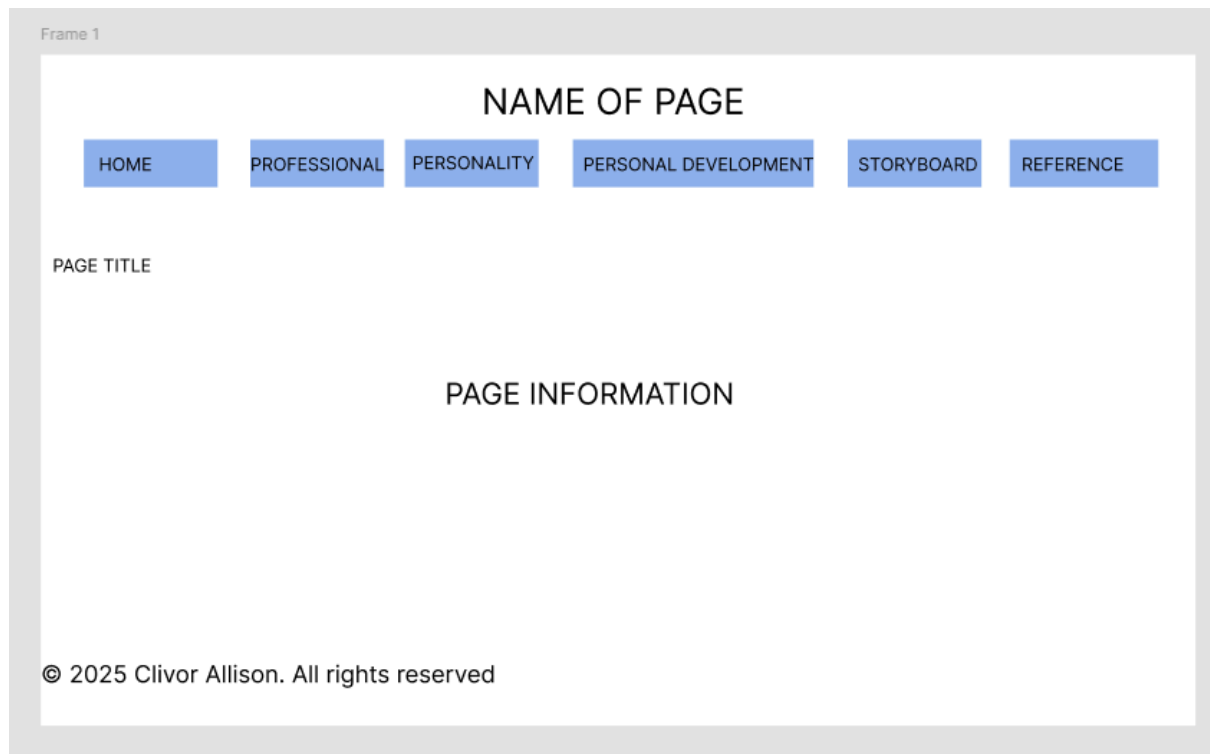

Page Name	Purpose
Index/Home	Welcome page, introduces the website.
Professional	Showcases career aspirations and qualifications
Personal	Highlights personal traits and interests
Personal Development	Shares learning, growth and reflections
Storyboard	Explains the website plan and design
Reference	List Sources and Acknowledgements

Page Theme:

I created the website with contemporary designs in mind using "sharp" shapes and light colours. My target audience are students, professionals and recruiters.
